

Libreria componibile in noce canaletta con profili in legno massello e inserti in metallo finitura grigio peltro. E' possibile scegliere tra due configurazioni estetiche: una spalla con massello, singola e condivisa tra i moduli, o doppia spalla con doppio massello decorativo. Completamente personalizzabile con ripiani, cassettiere a due cassetti o a tre cassetti con portacartelle. I ripiani possono essere dotati di illuminazione a LED nella parte inferiore.

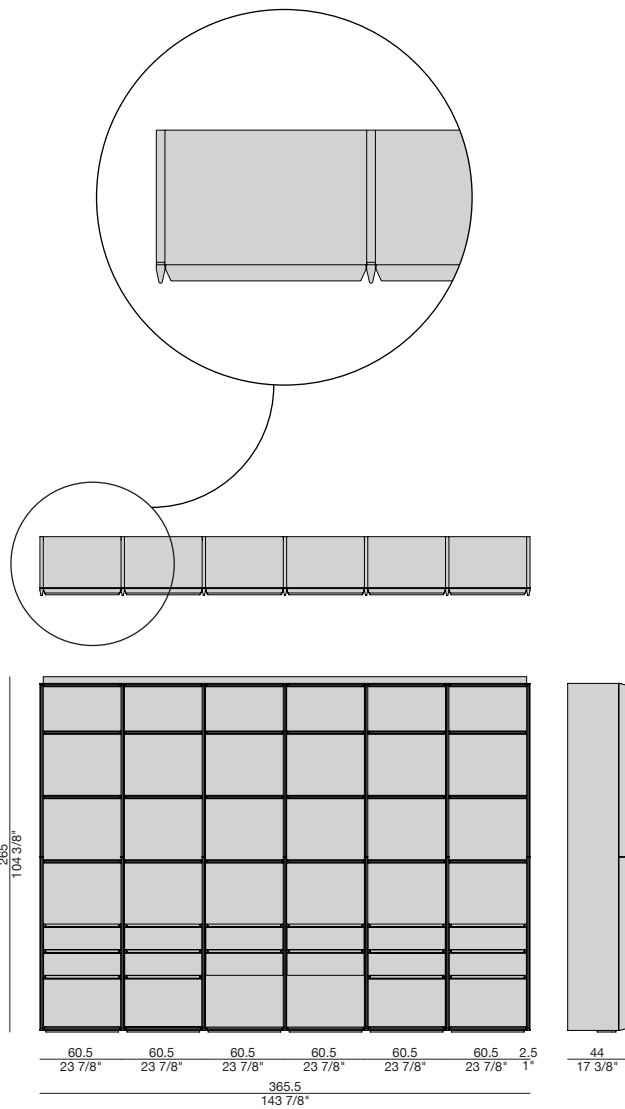

Modular bookcase in canaletta walnut with solid wood profiles and metal inserts in grey pewter finish. It is possible to choose between two design concepts: one single side panel with solid wood edges to be shared between the two modules, or double side panels with double decorative solid wood profiles. The system is completely customizable with shelves and two-or- three-drawers chests with file holders. The shelves could be bottom LED lighted.

Modulares Bücherregal aus Nussbaum Canaletta mit Massivholzprofilen und Metalleinsätzen in zinngrauem Finish. Es ist möglich, zwischen zwei Designkonzepten zu wählen: eine einzelne Seitenwand mit Massivholzkanten, die zwischen den beiden Modulen geteilt werden, oder doppelte Seitenwände mit doppelten dekorativen Massivholzprofilen. Mit der Möglichkeit das Bücherregal mit Regalen und Kommoden mit zwei oder drei Schubladen und Aktenhaltern zu personalisieren. Die Böden sind mit LED-Beleuchtung auf der Unterseite verfügbar.

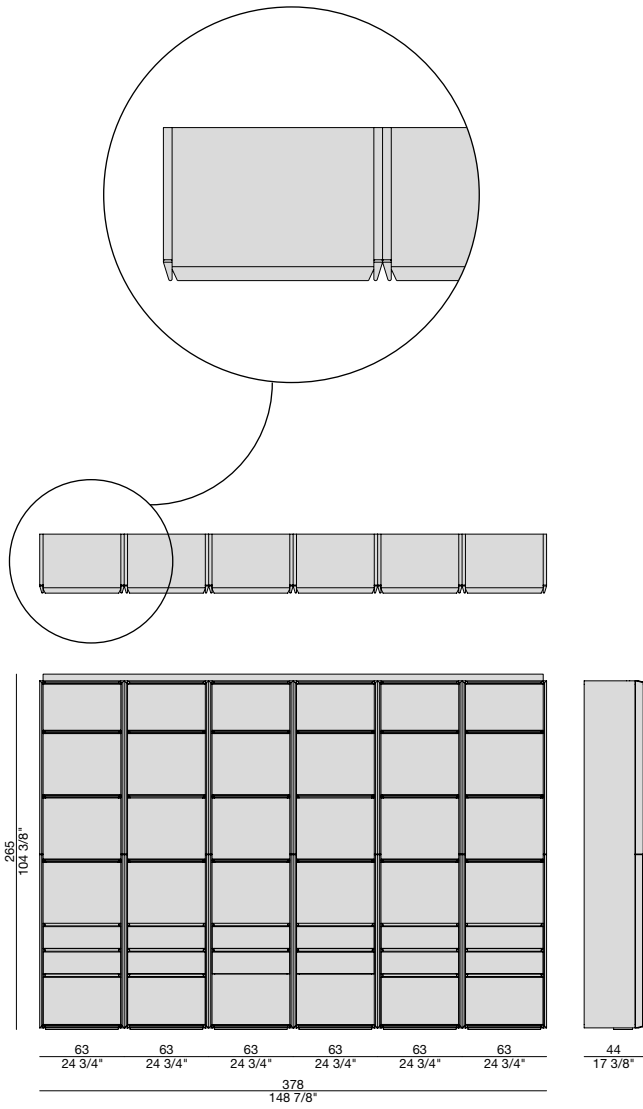

Bibliothèque modulaire en noyer canaletta avec profils en bois massif et inserts métalliques en finition gris peltre. Il est possible de choisir entre deux configurations de design : un côté en bois massif, simple et partagé entre les modules, ou un double côté en bois massif double décoratif. Entièrement personnalisable avec des étagères, des blocs-tiroirs à deux ou trois tiroirs avec portedossiers. Les étagères peuvent être équipées d'un éclairage LED dans leur partie inférieure.

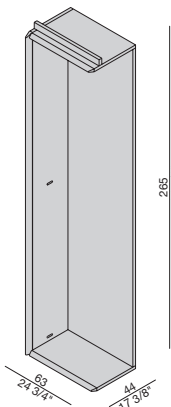

Librería modular en nogal canaletta con perfiles de madera maciza e inserciones metálicas en acabado gris peltre. Es posible elegir entre dos configuraciones estéticas: un panel lateral con perfil de madera maciza compartido entre dos módulos, o paneles laterales dobles con doble perfil de madera maciza decorativo. Totalmente personalizable con estantes, cajoneras de dos cajones o de tres cajones con archivador. Los estantes pueden equiparse con iluminación LED en la parte inferior.
